 Title: System and Method for Synchronizing Streaming Content With Enhancing
 Content Using Pre-Announced Triggers

DECLARATION UNDER 37 C.F.R. § 1.132

As a below named inventor, I hereby declare that:

I am an inventor of the subject matter that is claimed and for which a patent is sought on the application entitled "System and Method for Synchronizing Streaming Content With Enhancing Content Using Pre-Announced Triggers", as identified above.

The subject matter of the application was conceived in the United States prior to February 2, 1999. The subject matter of the application was submitted to the Advanced Television Enhancement Forum Specification (hereinafter referred to as "ATVEF"). Certain contents that pertain to the current patent application were used in the preparation of the ATVEF.

I unequivocally state that various subject matter of the ATVEF standard is attributable in part to the subject matter included in the pending patent application.

All statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statement may jeopardize the validity of the application or any patent issued therefrom.
